**Help Us to Make the Welbedatch East a Better Place**

**The organization that strives to restore hope, dignity and confidence of all the underprivileged within our reach.**

**REFADIM PROFILE**

# Introduction

## Establishment

The organization was founded by Mr. S.L Ntozakhe and Mr. S.M Mohoto the members of the Seventh Day Adventist Church.

## Brief history

The organization was founded under the strong Christian principles and was a product of the prayer meetings. in the year 2018 we had a lot of demand in terms of charity needs and we were introduced to the non-profit organization by mr. V Majozi.

we then went to the department of social development and met Mr. M Khumalo. who assisted us with the registratiion process.

 **Welbedatch East**

The most under developed and poverty stricken area around Durban (has no community hall, only 1 primary school and churches are temporal structures

## Process to appoint beneficiaries

We conduct a community profiling, analyse and then appoint relevant beneficiaries. we verify These potential beneficiaries from the Department of Labour and South African Social Services Agency.

## Medical Care

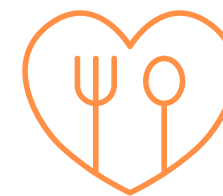

We aim to take care of the sick and elderly people through our community care givers. this program assist those who do not have somebody to care for them and even those who are waiting for the admissions at the old age homes.

**we appoint care givers to visit them, bath them, clean for them ,wash for them and assist in all their medical needs.**

## Healthy Food & Water

we cook and serve nutritious meals to our 250 appointed beneficiaries for a period of a year while in a process of being developed.

**This service is curenly ofered during lunch**

## Empowerment

We train skills and and mentor our beneficiaries to establish their businesses. we also promote self sustanance and independency.
